**Constantino's Market Offers 'Fast & Fresh' Online Shopping,
Pickup and Delivery Service**

Cleveland, OH, March 19, 2015 – Constantino's Market has launched an online shopping service with pickup and delivery at their downtown store. The service, called Constantino's Fast & Fresh, is now available to the public at <http://constantinos.myfoodlink.com/>. Customers can place an order online and pick up their groceries at the Warehouse District store 1278 W.9th Street. Delivery to downtown residents is also available.

"We are thrilled to open our first online store in Cleveland," said Andrew Revy, Constantino's COO. "By making our process more convenient, we're solving a huge problem customers face when buying groceries."

With Fast & Fresh, customers can order their groceries using any device – PC, phone, tablet - and a personal shopper will do their shopping for them. Orders can be placed anytime, day or night. For same day delivery or pick up, orders must be placed by 4 p.m.

For in store pick up, customers designate the time that works for them. Pickup hours are between 5 and 7 p.m. Monday, Wednesday, Friday and Saturday.

Downtown area residents have the additional option of having their orders delivered. Constantino's Market offers delivery between 6 and 8 p.m. Monday, Wednesday, Friday and Saturday.

"I live at Reserve Square," said Luke Crawford "and I'm excited about getting groceries delivered after work if the service and price are right."

There is a \$20 minimum for orders. The first delivery or pick up service will be free. Delivery is for downtown and a five-mile radius. The delivery fee is \$5 or 10%, whichever is greater. All orders over \$150 receive free delivery.

In addition, Constantino's Market is confident that customers like Luke will be satisfied with the online service that they've also introduced a Double Money Back Guarantee.
